

I've been having an insane time,
last night I went out to the drive-ins
to see Kung Fu Fighting and
we drank two bottles of Tequila and got really smashed

It was insane!

Dave Warner: Mug's Game

The grid consists of 16 circles arranged in 4 rows and 4 columns. The top row has 4 white circles. The second row has 4 white circles. The third row has a white circle in the first column, a black circle in the second column, a white circle in the third column, and a white circle in the fourth column. The bottom row has 4 black circles.
